

REMARKS

Prior to the present amendment, claims 1, 2, 4-12, 14-17, and 21-29 were pending. Claims 4-9 and 27 are requested to be cancelled in this response. Claims 3, 13, and 18-20 were canceled in previous responses. Claim 1 is being amended to incorporate the recitation of claim 9, which is being canceled. In addition, claims 10-12, 22-26, 28 and 29 also are being amended in this response. After amending the claims as set forth above, claims 1, 2, 10-12, 14-17 and 21-26, 28 and 29 are now pending in this application. The amendments to the claims address all formalities and rejections under Section 112 that are raised in the Official Action dated in March 17, 2003, and the Advisory Action dated July 16, 2003. In addition, in order to advance prosecution to issuance, applicant has amended the claims to recite solid tumors of the central nervous system recited in original claim 9, indicated as allowable on page 3 of the Action. Applicant does not acquiesce in the position of the examiner that the claims under examination are rendered unpatentable by the disclosure of the cited documents, but will pursue broader claims in a continuing application.

This amendment adds, changes and/or deletes claims in this application. A detailed listing of all claims that are, or were, in the application, irrespective of whether the claim(s) remain under examination in the application, are presented, with an appropriate defined status identifier.

Applicant respectfully requests reconsideration of the present application in view of the foregoing amendments and in view of the reasons which follow. Based on a telephone communication from Examiner Pak, Applicant believes that the present application is now in condition for allowance. Favorable reconsideration of the application as amended is respectfully requested. The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 19-0741. Should no proper payment be enclosed herewith, as by a check being in the wrong amount, unsigned, post-dated, otherwise improper or informal or even entirely missing, the Commissioner is authorized to charge the unpaid amount to

Deposit Account No. 19-0741. If any extensions of time are needed for timely acceptance of papers submitted herewith, Applicant hereby petitions for such extension under 37 C.F.R. §1.136 and authorizes payment of any such extensions fees to Deposit Account No. 19-0741.

Respectfully submitted,
